JAYCEES

The Jaycee Creed

We believe
That faith in God gives meaning
and purpose to human life;
That the brotherhood of man
transcends the sovereignty of nations;
That economic justice can best be won
by free men through free enterprise;
That government should be
of laws rather than of men;
That earth's great treasure
lies in human personality;
And that service to humanity
is the best work of life.

Many of you are nearing your final days
as students of Frisco High School. Upon grad-
uation, you will seek to become active in
community affairs in our city. We encourage
you to consider becoming a part of the FRISCO
JAYCEES - a group which is devoted to personal
and community development. Not only will
your activity in the Jaycees be rewarding to you,
but you will find the satisfaction of becoming an
involved citizen in your town.

Getting Ready for the Jr.-Sr. Banquet

Some of the students were working on decorations, while Henry and Bubba goof off.

"To have and to hold," says Beverly Baum.

The Seniors work like "busy bees" on the wills.

The sponsors of the Banquet were: Mrs. Fisher, Mrs. Crigger, Mrs. Bright, Mr. Justus and Mr. Bledsoe.

The Senior Banquet was quite a success this year thanks to much hard work. The theme of the Prom was "Reflections" which is exactly what many Juniors and Sponsors will have when they remember the 300 dotted Swiss flowers, 500 foot vine, 75 papier-mache balloons, and various other decorations that added to the success and beauty of the Prom.

In the years I have been coaching I have been very fortunate to be associated with some outstanding athletes, but no group of young men could hold a place in my heart like these young men, not because of their athletic ability but because of a tremendous heart and a belief in themselves and each other.

I thank God for giving me the opportunity to be a small part of their lives and seeing them become champions not only in the game of football but more important in the game of life; and this is what coaching is all about.

Life's battles don't always go
To the stronger or faster man.
But sooner or later the man who wins
Is the fellow who thinks he can.

How often we wish for another chance
 To make a fresh beginning,
 A chance to blot out our mistakes
 And change failure into winning -
 And it does not take a new year
 To make a brand-new start,
 It only takes the deep desire
 To try with all our heart
 To live a little better
 And to always be forgiving
 And to add a little "sunshine"
 To the world in which we're living -
 So never give up in despair
 And think that you are through,
 For there's always a tomorrow
 And a chance to start a new.

Most Likely to Succeed

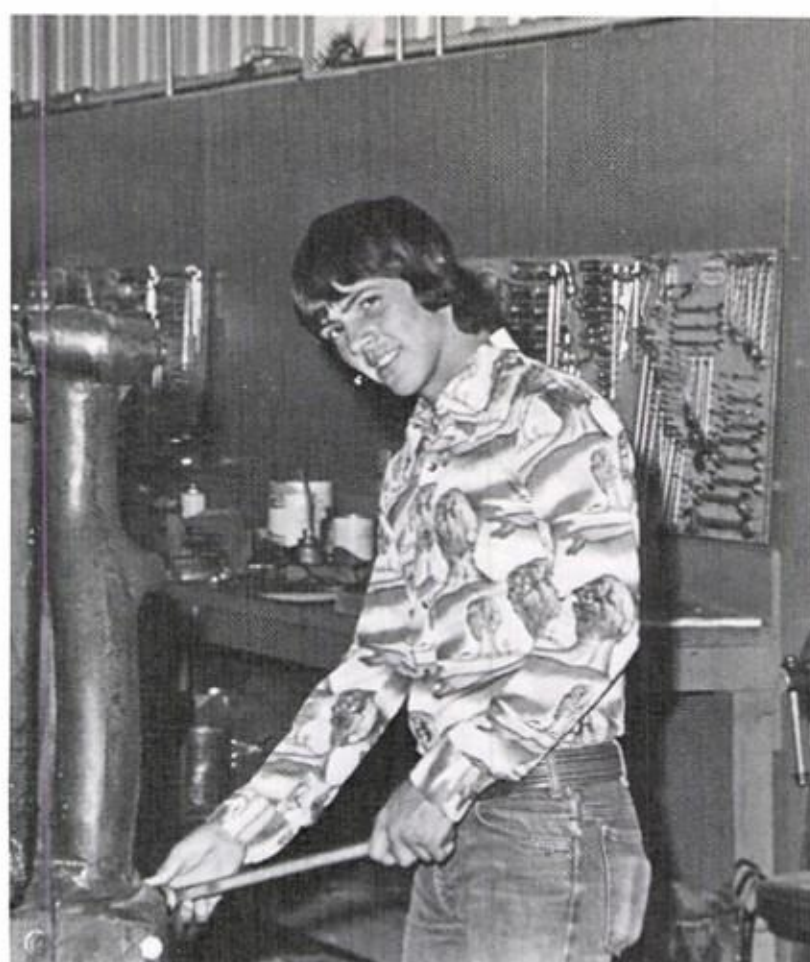

DAVID PROVINCE

David is the son of Mr. and Mrs. Bill Province. After graduating, he plans to attend L.S.U. starting in June. He will be attending the L.S.U. medical school for six years. He hasn't yet decided what field of medicine he wants to pursue.

PENNY CRAIG

JACKIE DAVIS

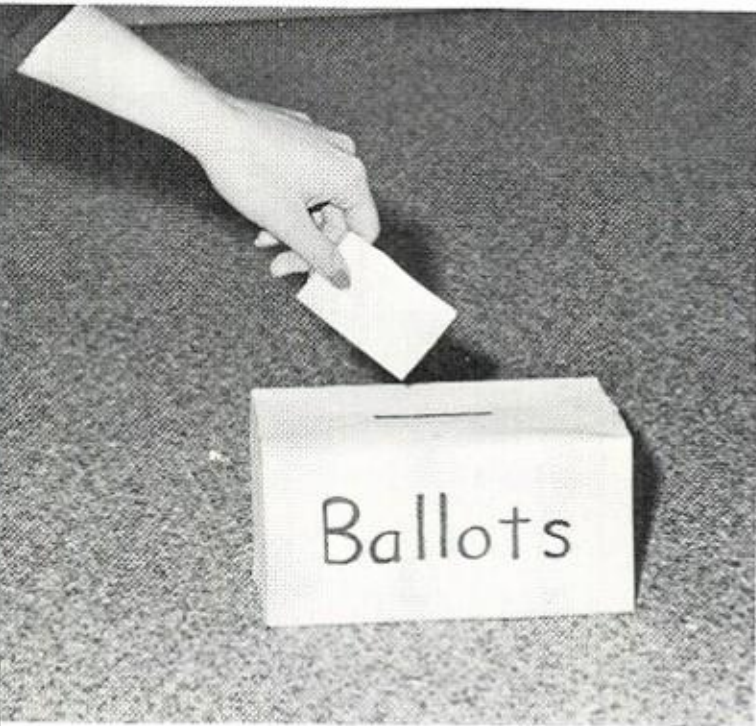

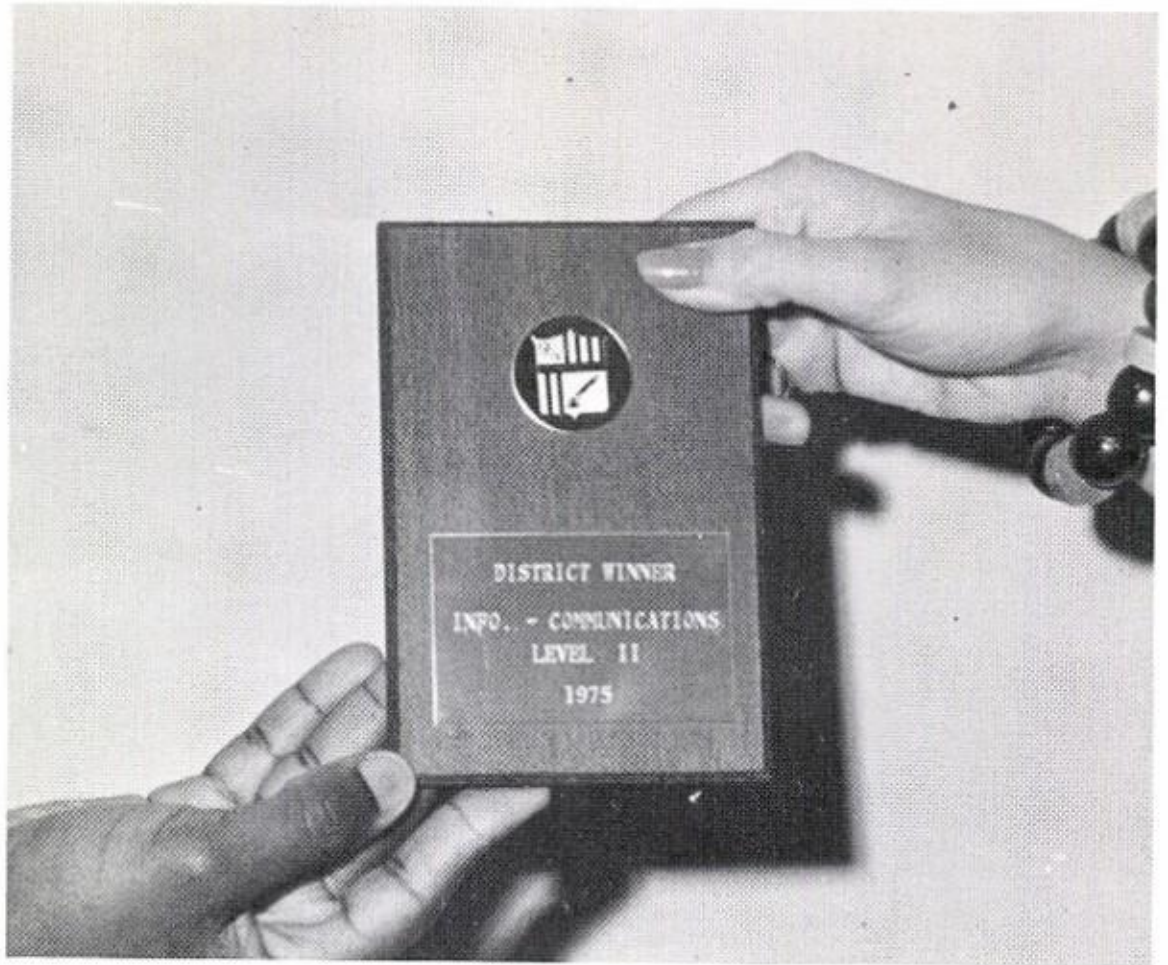

Mr. & Miss FHS

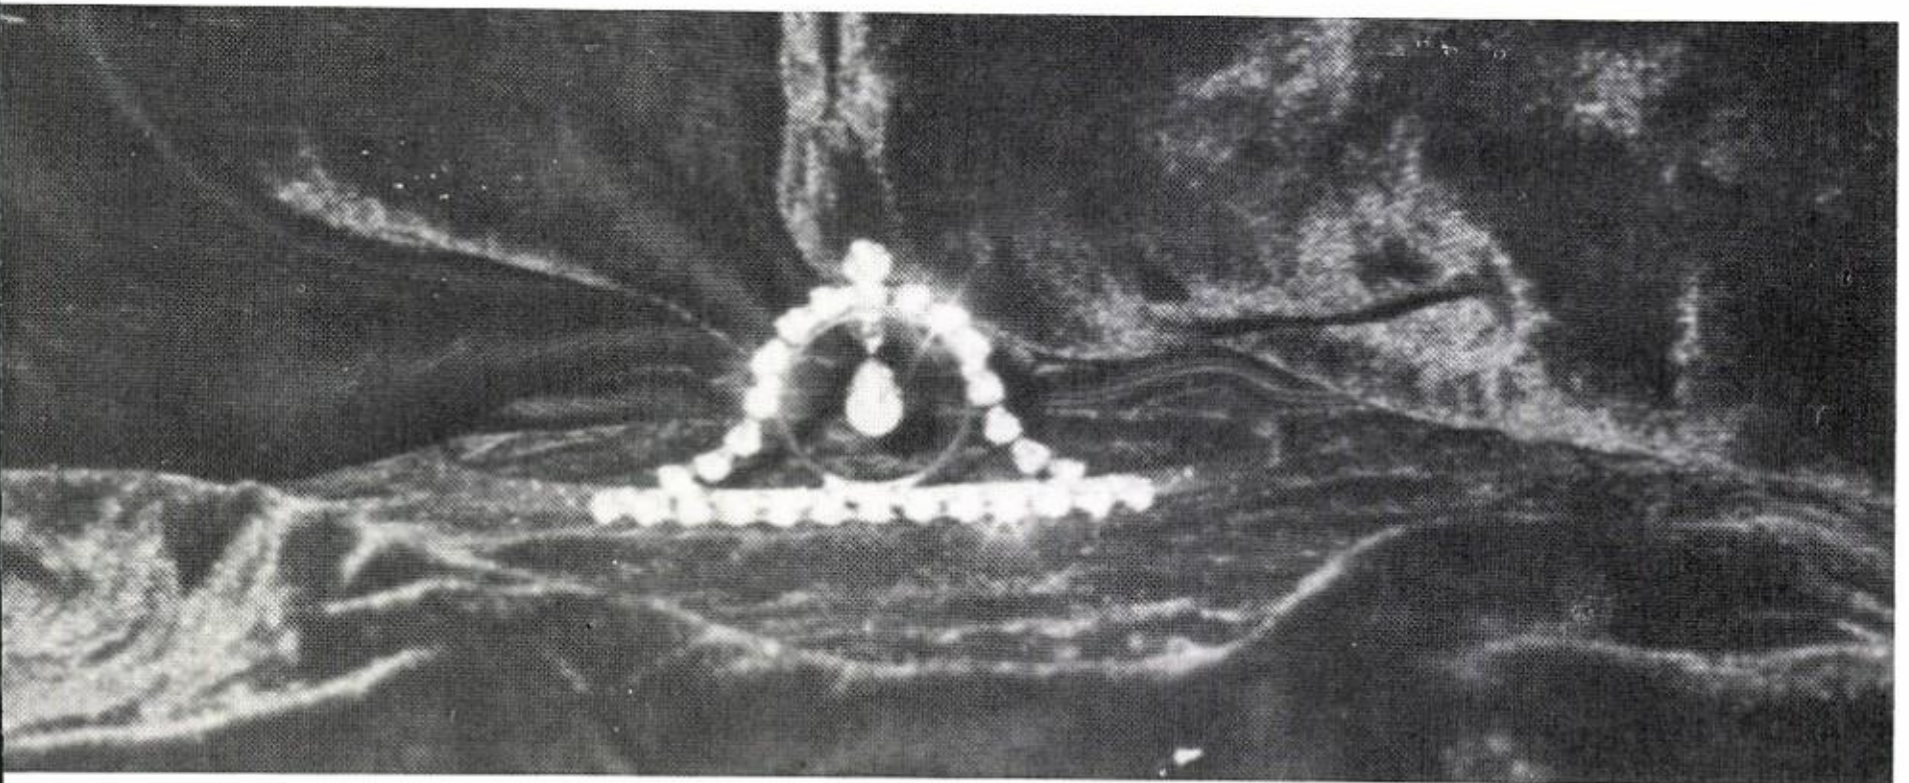

Penny Craig has been elected this year's Miss FHS. She has been involved in many activities during her four years in Frisco High School. She has been Reporter for her Freshman Class, President for her Sophomore Class and Treasurer for her Junior Class. She has been F.H.A. Vice-President and O.E.A. President. She was Senior Class Favorite. She was an F.F.A. Sweet-heart nominee, and Senior Homecoming Nominee. She has participated in basketball for two years and has been Captain both years. She has been elected "Most Beautiful" in the local Who's Who, and is in the Who's Who of American High Schools. She was a member of the All-Star Cast in the UIL One-Act Play Contest last year, and placed in the UIL Contest for Shorthand this year.

Jackie Davis was elected as Mr. FHS. Jackie has been Vice-President for his Junior Class and is currently Vice-President of VICA. He has played football and was captain for the 1974-75 year. He was All-District Halfback and All-District Safety. He has lettered in baseball 4 years, football 3 years, track 2 years, and basketball 2 years. He was elected "Most Handsome" in the local Who's Who and is also in the Who's Who of American High School Students.

The 1974-75 MR. and MISS FHS represent Frisco High School very well.

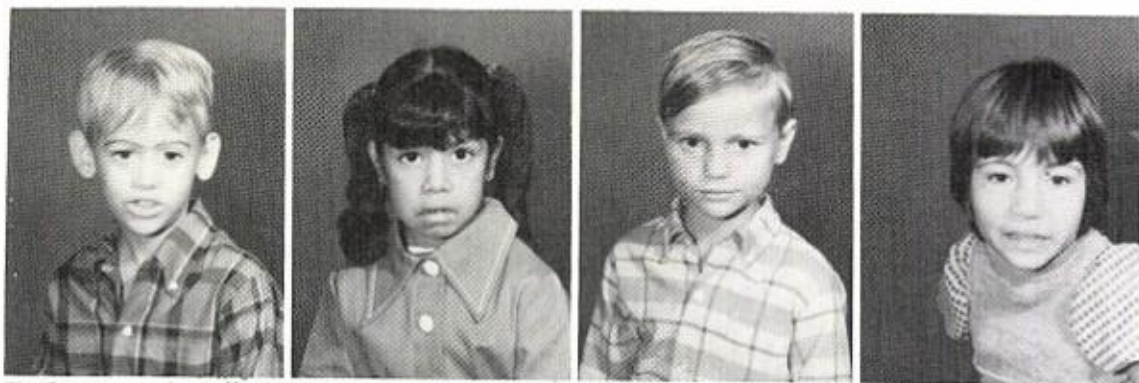

The sun begins a new day. We live only one day at a time. We accept the sorrows, joys, and challenges of that day. The day ends as soft as it began.

Anyone can carry his burden,
however hard, until nightfall.
Anyone can do his work,
however hard, for one day.
Anyone can live sweetly,
lovingly, purely, till the sun goes
down. And this is all that life
really means.

The Members of
the 1975 Coonskin
Proudly
Dedicate This Annual
to You,
Mrs. Sherry Crigger

We, the members of the student body, want to thank you for the hard work you have given in the past years. Because of your kindness, patience, and friendship this annual is dedicated to you.

She opens her eyes and discovers her purpose
She brightens students' futures with knowledge and guidance
Her following blossoms
She must have room to expand and grow

Another year goes past. She looks back on her deeds with satisfaction, but in her mind she knows that her task is far from complete. Her journey continues on . . .

The sunset of another year finds us reflecting the rays of our year together. You and I have been held together by that thin thread of Time and Place — five days a week for nine months a year in a sprawling concrete structure. Experiencing a year which has brought many moments of victory and defeat. Together we have participated and involved ourselves in the various activities of our school. Together You and I have known, learned, and grown up through our smiles, tears and laughter.

Now before the setting sun we stand,
Deciding upon the paths to try,
Sharing dreams so dear to us;
Unafraid, Together: You and I.
